State Clearinghouse Number: 2017012008
Project Title: UC Davis 2018 Long Range Development Plan
Project Location: University of California - Davis campus

Counties: Yolo and Solano Counties

Project Description: The UC Davis 2018 LRDP provides an overall framework for potential growth at
the Davis campus projected through the 2030-31 academic year, and is intended to support flexibility for
meeting the academic and related core mission initiatives for the University of California to achieve the
following goals: support the academic enterprise, enrich community life, and create a sustainable future.
The 2018 LRDP proposes construction of an additional 2 million square feet of academic and
administrative building space, and additional on-campus housing to accommodate 100 percent of new
students and a portion of the existing campus population.

This Notice of Determination is to advise that the University of California Lead Agency has approved
the above-described project on July 19, 2018 and has made the following determinations:

For an EIR:

1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of
   CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A Mitigation Monitoring and Reporting Program was adopted for this project.
5. A Statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final Environmental Impact Report with comments and responses and record of
project approval is available to the general public at: UC Davis Office of Environmental Stewardship and
Sustainability, 436 Mrak Hall, University of California, Davis, CA 95616, Attn: Matt Dulcich, (530) 752-9597.
